2740 and 2750 head pivots up to 45° and are IPX4 water resistant

NEW: 2740 AND 2750 LED HEADLIGHTS

Bright, reliable light for harsh conditions—the 2740 LED Headlight features a long burning 3 LED design providing up to 35 lumens and a low level light setting. The high output 2750 LED Headlight provides up to 100 lumens of illumination, flashing, and low light modes. The 2750 also preserves night vision with red LED light. Both models are designed with weather resistant casings and allow for fast and easy battery change.

Switch to the new 2740 and 2750 Headlights from Pelican.
