NEW: CE1250 PROTECTOR SERIES FOR SAMSUNG GALAXY® S4.

PROTECTION AS TOUGH AS YOUR COMMUTE.

Now you can get through the daily grind with one less thing to worry about: damaging your smart phone. We engineered two levels of protection: a tough chamfer design on the outside and a soft elastomeric lining on the inside. The result: Upon impact the Pelican ProGear™ Protector case deflects energy and cushions your phone, preventing damage to the fragile glass surface and sensitive electronics inside.
