TITLE: Pelican™ TRAVELER TUMBLERS TRANSITIONING TO UNIVERSAL SLIDE LID

PRODUCTS AFFECTED: 22oz AND 32oz TRAVELER TUMBLERS

DETAILS:

Pelican™ Traveler 22oz & 32oz Tumblers' ergonomic design may be cool to the touch, but their insulated interior copper liner is working hard under the surface to keep your beverage the perfect temperature. We will be transitioning from the **SNAP LID** to a single universal **SLIDE LID** that screws on and seals tight, and features a sliding cap closure that opens and closes with the touch of a finger.

As of July 1, 2016, Pelican will discontinue the Snap Lid and transition all Pelican™ Traveler Tumblers to the new Slide Lid.

SN: Snap Lid

SD: Slide Lid
